More Than a School — One Home, One Family

HOW IT ALL BEGAN

Kinara Residential School was founded by Shri Kamalakar Rathod and late Smt. Anita Rathod in 2009, based on a firm belief: every child with intellectual disability deserves a path to dignity, education and independence. The organization is registered under the Societies Registration Act, 1860 and the Public Trusts Act, 1950. Today, Kinara has become a ray of hope for many families across Maharashtra.

HOW WE SERVE OUR STUDENTS

Our students are children and young people aged 4 to 45 with intellectual and developmental disabilities. Many come from low-income families that cannot access mainstream education or therapy. For them, Kinara is literally home — providing education, therapy, nutrition, healthcare and vocational training 24/7 under one roof.

COMMUNITY & BELONGING

From cultural programs and Independence Day celebrations to sports and art workshops, we make sure our students experience the joy, achievement, belonging and pride that come from being part of a community.

WHAT WE OFFER

Academic Education

Montessori and multi-sensory methods, personalized learning plans for Grades 1–4.

Vocational Training

Life skills, sewing, embroidery and handicrafts to build independence and entrepreneurship.

Arts & Expression

Music, dance and art to encourage creativity, self-expression and emotional development.

Medical Services & Therapies

Speech, occupational and physiotherapy, psychological counseling, and health camps.

Residential Care

Safe residential care, a hygienic kitchen, 24/7 supervision and care under CCTV monitoring.

Family Support

Parent workshops, counseling and health programs that empower families and offer hope to parents of children with disabilities across Maharashtra.

Proposed Residential School

New Campus — Sustainable, Built for Everyone

For many years, Kinara has operated from rented and inadequate spaces. Our students need a campus specifically designed around accessibility, therapy, education and community life. We own land at Dhawale village, Wangani, Thane district. Now we need to build this campus.

CAMPUS FEATURES

STUDENTS 100 students with special needs (intellectual and developmental disabilities), ages 4–45	CLASSROOMS 8 classrooms (10 students each) + 3 vocational training rooms Recreation hall, 2 large spacious residential premises
THERAPY & HEALTHCARE Therapy rooms, doctor's room, patient rest room	BUILT-UP AREA 1,590 sq. m. across two floors
RESIDENTIAL HOSTELS 2 large residential dormitories for 50 children	ACCESSIBILITY Fully barrier-free: ramps, lift and accessible restrooms

ESTIMATED PROJECT COST

Ratan J. Batliboi Consultants Pvt. Ltd. provided architectural/design consultation free of charge.

₹3.01 Crore Option A — Load-bearing brick construction (Most economical)	₹4.34 Crore Option B — RCC frame + brick construction (Premium)
